LOOKING FOR A SIMPLE WAY  
TO ELEVATE THE LOOK OF  
YOUR GARAGE OR SHED?

STAND OUT,  
WITH EAVES.

## Classic Eaves

Fair Dinkum Builds makes it straight forward to add eye-catching eave overhangs to give your shed a more architectural look to go with your home.

### Add style and protection

We can upgrade your shed design at the click of a mouse – adding designer looks and weather protection with affordable ease. Our sophisticated design software makes it simple to add pre-engineered eaves to many designs.

We'll assist you to get the look you're after, whether it's to suit a modern monopitch roof or a traditional gable roof design.

#### Styles and options Classic eaves

**Roof styles** Monopitch, gable, barns, lean-tos, garaports

**Roof pitches** Monopitch and lean-tos: 5°, 11°, 15°, 22°  
Gable: 11°, 15°, 22°

**Overhang amount** Sides: 300mm – 600mm  
Ends: 120mm – 600mm

**Configuration options**

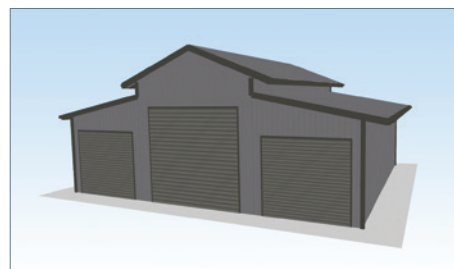

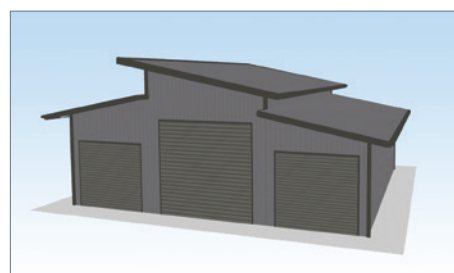

**Gable roof**  
Must have eaves to both sides  
Eaves may also be added to front and/or rear gable ends

**Monopitch roof**  
May have eaves to high side, low side or both sides  
When high side and low side eaves are both added, you can also select front and/or rear eaves

**Barns**  
Side eaves available on main structure and/or lean-to sections  
End eave available when side eaves used

**Colour choices** Roof and wall cladding available in COLORBOND® steel Classic, Contemporary and Matt colours or ZINCALUME® steel

**Trim options** Default option is no trim to encase the underside of eaves.  
Talk to us about trim options that may be available to suit your design.
