

QUALITY STEEL BUILDS IN A COLOUR YOU'LL LOVE!

COLORBOND STEEL IN A CLASSIC FINISH

COLORBOND® steel's range of designer colours enhance the beauty of every build.

An Australian Icon

Complete your Fair Dinkum Builds project with COLORBOND® steel's range of designer colours. Designed and tested to endure Australia's harshest conditions, COLORBOND® steel continues to inspire with its colour range, long life performance and ability to pair with existing homes or blend with the surrounding landscape.

The COLORBOND® steel colour swatches and images shown have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing, as varying light conditions and limitations of the printing process may affect colour tones.

COLORBOND® STEEL IN A MATT FINISH

Create a softer, more subtle look with a true Matt finish.

COLORBOND® ULTRA STEEL

More protection for buildings in coastal and industrial environments.

Proudly partnering with:
